"(B) The Secretary must make a determination with respect to a petition not later than —

"(i) the 15th day after the day on which the petition is filed if—

"(I) the raw steel making capacity utilization in the United States equals or exceeds 90 percent,

"(II) the importation of additional quantities of the steel product was authorized by the Secretary during each of the 2 immediately preceding years, or

"(III) the Secretary finds, on the basis of available information (and whether or not in the context of a determination under this subsection), that the steel product is not produced in the United States; or

"(ii) the 30th day after the day on which the petition was filed if neither subclause (I), (II), or (III) of clause (i) applies.

"(C) In making a determination with respect to which subparagraph (B)(i) applies, the Secretary shall apply a rebuttable presumption that the short supply situation alleged in the petition exists.

"(D) The Secretary shall cause to be published in the Federal Register notice of each determination made under this subsection setting forth the reasons for the determination.

"(5) If under this subsection the Secretary authorizes the importation of a specified quantity of a steel product, the Secretary shall notify a representative of the appropriate foreign government and issue to the petitioner the necessary documentation to permit the importation of that quantity.

"(6) The Secretary shall prescribe regulations to carry out this subsection. The interim text of such regulations shall be issued on or before the 30th day after the date of the enactment of the Steel Trade Liberalization Program Implementation Act. The regulations shall provide for transparency and fairness in the process of making short supply determinations, and shall be consistent with the President's announcement on July 25, 1989, establishing the steel trade liberalization program."
